

3rd Annual Public Health
Service Provider Summit:

Pathways to Advance Health Equity

This free virtual summit brings together public health professionals, organizational leaders, and community stakeholders to share and examine tried and true approaches to promoting health equity in communities of color. A range of workshops will be presented in English with Spanish interpretation.

Featured topics will include:

- Structural and Cultural Competence
- Storytelling for Narrative Change
- Service Providers Mental Health and Well-being
- Using Social Media Influencers for Public Health Campaigns

Service providers across the U.S., Puerto Rico and U.S. Virgin Islands are highly encouraged to register.

Tuesday, July 11, 2023

1 PM - 4 PM EST
