Rutgers Health AI Virtual Seminar Series

Practicing AI/ML techniques for predictive and precision medicine

Extraction of Electronic Health Records Dataset and Virtual Machine Setup in Protected Environment for Machine Learning and AI modeling in Medicine

Zeeshan Ahmed, PhD
Assistant Professor of Medicine
Institute for Health, Health Care Policy and Aging Research
Department of Medicine, RWJMS

Branimir Ljubic, PhD
Senior Scientist , Biomedical & Clinical Informatics
Office of Advanced Research Computing (OARC)

Thursday, May 8, 5:30-7:00 pm

Seminar Schedule:
5:30-6:00 pm: Introductions and "ice breakers"
6:00-6:45 pm: Research Seminar
6:45-7:00 pm: Questions and Discussion

Zoom Information:
Zoom ID: 923 5899 0457
Passcode: 033725
