COMMUNITY CONVERSATIONS:

Diversity And Inclusion In Site Identification

Session II- January 25, 2023

5:00PM-6:30PM

These community conversations will allow participants to engage in a dialogue about diversity, equality, inclusivity and accessibility of clinical trials for patients in clinical trial centers.

Join us as we continue to share insights on the impact of adopting decentralized clinical trial methods in the quest to address the disparity in patient populations and investigator participation in clinical trials.
