HEALTH SCIENCES

**NJ acts**

Join us on Thursday, December 8<sup>th</sup> at 2pm for the  
NJ ACTS Biostatistics and Epidemiology Workshop

# “Strategies for Engaging Communities in Research”

Speaker:

Kristen D. Krause, PhD, MPH  
(she/her/hers)

This workshop is designed for anyone who is interested in learning about engaging different communities in all stages of research including recruitment and dissemination of findings. The presentation will highlight strategies our team used in the past for in-person and online recruitment, including IRB approved recruitment materials/scripts, along with different ways we have worked to disseminate findings from different studies.

Target Audience: Anyone and everyone who is interested!

**Click here to register**

*After registering, you will receive a confirmation email containing information about joining the workshop.*
