WORKFORCE DEVELOPMENT INTERNSHIP
FALL 2024

Looking for an internship opportunity?

The NJ ACTS Workforce Development Core is creating a digital badge for Principal investigators (PI) and Co-Investigators to meet the workforce needs for improving the readiness of early career investigators to conduct Clinical Trials.

Internship Position Details:

1 PAID REMOTE INTERNSHIP OPPORTUNITY

2 WORK COMMITMENT OF ~15 H/WEEK

3 APPLICANTS MUST BE US CITIZENS OR PERMANENT RESIDENTS (I.E., GREEN CARD).

SCOPE OF WORK

–Support the research, gathering, and content organization for each module.
–Contribute to developing course modules for the PI Badge in Canvas.
–Assist with drafting course content as directed.

ELIGIBILITY

- MS/PhD candidate in nursing, pharmacy, or a related healthcare field with some experience or exposure to clinical research, or at minimum, a strong interest in learning about clinical research and conducting clinical trials.
- Proficient in Microsoft Office Suite, literature searches and Canvas.
- Strong critical thinking skills, self-motivated, detail-oriented, organized, and capable of working independently.
